INFORMACIÓN GENERAL

Three-storey villa within walking distance (5 min.) to the sea, in villa area Fish-fish, Albena resort. The villa consists of 3 floors, each of them with its own entrance. The ground floor consists of a living room, a kitchen and a bathroom with toilet. There is a dining area/BBQ with a separate entrance. First floor consists of 2 bedrooms, a bathroom with toilet, a small space with sink (it is possible to install fitted drawers and turn the place into a mini kitchen). Second floor consists of 2 bedrooms, a bathroom and a separate toilet. It has a wonderful sea view. Both rooms are decorated with handmade wooden ceilings. The flooring is wooden as well. The rooms have air conditioners installed. The villa has new UPVC windows. There are 4 parking spaces in the property. The property has natural shade from vines. There is a fig tree and several other fruit trees in the yard.
