The garden is almost half an acre at 1930m2.

Built with more modern construction methods, the property features double glazing and wooden flooring throughout. While finishing touches are needed—such as light fittings, kitchen units, and balcony railings—it offers plenty of potential for personalisation and is a rare find with its unique villa-style design compared to traditional homes in the area.

The stunning Black Sea coast is easily accessible, with popular resorts such as Albena, Golden Sands, and Kranevo approximately 45 km away.

Essential amenities, including a shop, dentist, doctor, and post office, are just 2–3 km from the property. For larger shopping needs, Dobrich town is only a 15-minute drive, offering a variety of stores at incredibly low prices.
